

Residents “Deck the Halls” of the Mission

For most of our residents and shelter guests, Sunshine Ministries is the only home they have for the holidays.

Christmas can be a wonderful time of sharing our love and time with family and friends, but for many Christmas can be a very sad and lonely time full of regrets, loneliness and hopelessness.

That’s why Sunshine Ministries exists . . . to offer healing, help and hope to those in need. This is true all year long, but the needs are even greater at Christmas.

As the guests enter our shelter doors during the holidays, the mission becomes their home, our caring staff members become their family, and the other guests and residents become their friends.

The resident men have decked the halls and trimmed the trees, Christmas music is playing, and there are many special holiday meals to enjoy. Everyone receives small gifts to remind them that someone really does care about them!

And most importantly, through our nightly chapel services provided by faithful volunteers, all of the men hear about the real reason for the season . . . the birth of our Lord!

They hear the message of His ability to heal their wounds as the Wonderful Counselor, help them survive each day as their Mighty God, and offer hope for the future as their Everlasting Father and Prince of Peace.

**For to us a child is
born . . .
and he will be called
Wonderful Counselor,
Mighty God,
Everlasting Father,
Prince of Peace.**
