

HELPING HANDS

Volunteers are the spark that bring our mission to life! With every smile, every act of kindness, and every minute they give, they create real connections and lasting impacts. Their passion and generosity open doors for our clients to build meaningful relationships and encounter God's love in powerful, personal ways. Our ministry is strengthened by the faithful support of our volunteers.

Judy-

Judy has faithfully served in our ministry for 10 years! She began by reading, singing, and playing violin with our preschoolers, and as her involvement grew, so did her impact. She now organizes food collections at her church for our pantry, providing food for the women in our program, and each month she prepares a home-cooked meal complete with dessert for our men. More than that, she sits with them, sharing conversation and building meaningful, lasting connections. Judy has been a blessing to us here at Sunshine and all the people we serve!

John-

At 83 years old, John continues to give us a helping hand by organizing the food donations in our pantry. His heart for service began as a six year old kid, working in his father's grocery store in a poor Soulard neighborhood. After watching his father, he learned not just how to stock shelves, but how to care for his neighbors in need. That same spirit lives on at Sunshine! John not only keeps our pantry looking like an upscale grocery store, but he also brings a donation of his own each time to add to the shelves. As he simply puts it, "I enjoy helping people. I have had a good life and want to give back."

CAMP

Summertime is just around the corner, and camp is almost here!

Out at Eagle Lodge, the kid's days are filled with games, pool time, and moments that help them grow in their understanding of God and how special they are to Him.

These days full of exciting moments would not be possible without the support of our faithful donors. Their generosity allows these kids to experience the **FUN**, the sense of **FAMILY**, and the deepening of **FAITH** that camp provides.

We at Sunshine truly appreciate you and all you do to support our mission in serving the surrounding community!
