

THE SMILES AT SUNSHINE

Over the past few months, our Sunshine family has grown! We are always excited to welcome new ladies to join us in a time of fun, friends, and faith at our ladies program.

Meet Aurora! The newest member in our women's C.A.R.E. program.

Aurora works as the home health caregiver for a woman who has been part of our program for many years. After bringing her to monthly meetings, Aurora realized she wanted to be part of our family as well.

After facing many struggles of her own, Aurora found the support she needed through our program. Here, she has been surrounded with the love, encouragement, and sense of family she had long been searching for.

"From the moment I walked in, I fell in love. Everyone was so welcoming, and it truly felt like a family. Sunshine is the kind of positive place you need when life doesn't seem to be coming together. Each meeting gives me a hopeful outlook for the rest of the day. I'm excited every time I get to come, and I always look forward to the fellowship."

Love is in the air! We at Sunshine have been called to show love on a greater scale. Not just any love, though. More specifically, God's love—His great, big love! We strive to do this by providing healing, help, and hope for the community surrounding us.

This month, we focused on how God's love never fails, as well as on how we see love and how we show it in our everyday lives. One way we were able to show love was by hosting a Valentine craft day for our ladies. They enjoyed making coasters, painting picture frames, decorating cookies, and creating valentines for those they love most. It was a time of fellowship filled with laughter and an unforgettable moment for these ladies.

"Let us not love with words or speech but with actions and in truth"
1 John 3:18
